April 10, 2020

Dear Parents and Guardians,

A printed packet of learning materials for your child will be available for you to pick up at school on April 20th when you come for your child's laptop at the time assigned to you in the letter you received or will be receiving from the district. These materials will also be posted in the District courses in Schoology for electronic access.

Every student, in grades 5-8, has been assigned a pick-up time on April 20th. The distribution will be similar to that followed in March when students came in to get their packets. The front door of the school on Suffolk Street will be used. All CDC guidelines will be followed in distributing the laptops. It is important that you come at the assigned time and get the laptop as quickly as possible. Students will not be allowed to go to their lockers. The school and classrooms have been cleaned and letting people into other areas of the school will mean additional cleaning will have to be done. Should this change I will let you know.

Please be aware that this is a monumental task with the district coordinating the distribution of thousands of laptops.

Thank you for your cooperation.

Stay Safe. Stay Healthy, Stay Home,
Dr. Gruber
